Dear Sir:

INTRODUCTORY COMMENTS

1. In response to Office Action dated August 29, 2007 please amend the above-identified patent application as follows:

Listing of the Claims appended to this communication will replace listing of claims in the application.

Please note, however, that all references to numbered claims below are to the numbered claims in my original application, not to the numbered claims in the application appended hereto.

2. In response to specific claim rejections, please note the following. Office action repeatedly directs applicant to "Mumick et al. (6,006,107)"; 6,006,107 is a patent by a different inventor on an unrelated subject matter. I will assume that the examiner in fact considered Mumick et al. (6,006,207) and will formulate my responses accordingly.

RESPONSES OF OFFICE ACTIONS

1. As per Claim 1, rejected under 35 U.S.C. 102(b) as being anticipated by Mumick et al. (6,006,207):

Claim 1 is withdrawn in view of rejection. See attached listing of amended claims.
